Mac Computing For Seniors In Easy Steps

Mac Computing For Seniors In Easy Steps

Mac Computing for Seniors in Easy Steps I bought this book for my father on his 72nd birthday today and he couldn't be happier. The wording is clear and precise and in plain English. Nick Vandome's book has opened up his MacBook to even more possiblities than he had before with a new sense of computing enjoyment beyond the drab email and web browsing! A must for any silver surfer on the Apple ...

"I only use Mac because my first computer in 1995 was given to me and it was a Mac. I got to be friends with my Mac guy, so I just kept buying Macs. I understand they are good for graphic design and the like, but for someone like me, it's basically a $1400 Facebook/World of Warcraft machine.' Sharon Nicols

MAC´s Tiernahrung – Super Premium Food for Cats and Dogs

?I'll make a wild guess: Mac isn't the first operating system you've used. In fact, if you are like most people, you are probably a Windows person. But you've heard a lot of good things about Mac's, it works alongside your phone, and it "Just works"—so you have decided to make the switch. …

?Easy Tablet Help for Seniors on the App Store

– Explain to your senior friend how easy it is to catch up with long lost friends. Many elderly people are reconnecting with long-lost friends via Facebook. If you have any examples, provide them, especially if they involve elderly people. "It's a way that you can keep in touch with me and the rest of the family!" – Show your senior friend photos, status updates, and other family ...
